J&B Importers, the nation's leading supplier of bicycles, parts, and accessories has sold R D Project – Sprintech mirrors for the last 4 years. During this time, the Sprintech mirror has consistently been our No. 1 selling road mirror. Sales continue to increase, year after year, as the brand becomes more and more popular with U.S. dealers and consumers.

Bicycle stores across the U.S. like the high quality, stylish design, ease of installation, performance, and great value of the Sprintech mirrors. Thanks for manufacturing a great selling product that dealers and consumers have grown to love.

Best Regards,
Alex Gutierrez
